AFFIDAVIT OF KAREN BEVILL

STATE OF TEXAS:
COUNTY OF TRAVIS:

Before me, the Undersigned Authority, on this 6th day of January, 2010, personally appeared Karen Bevill of Southwestern Bell Telephone Company d/b/a AT&T Texas who, upon being duly sworn, stated as follows:

1. I am an employee of AT&T Texas at 400 W. 15th Street, Suite 950, Austin, Texas and hold the position of Area Manager - Rate Administration.
2. I certify that a true and correct copy of this informational notice was provided today to the Public Utility Commission of Texas and Office of Public Utility Counsel.
3. Any person who holds a certificate of operating authority in AT&T Texas' certificated area or areas or who has an effective interconnection agreement with AT&T Texas was advised of this informational notice filing approximately 45 days ago via an accessible letter, which provided the Internet web address for viewing this filing on its effective date.
4. I certify that the attached customer bill message was distributed in customer bills pursuant to PUC Substantive Rule §26.31(a)(5) which states, "A CTU shall provide customers written notice between 30 and 60 calendar days in advance of a material change in the terms and conditions of service... This paragraph does not apply to changes that are beneficial to the customer, such as a price decrease or mandated regulatory changes."

Karen Bevill

BRI RATE INCREASE

Effective 1/07/2010, the monthly recurring rate for Basic Rate Interface service under a month-to-month billing arrangement will change. BRI B-channels will increase from \$10.00 to \$15.00 and from \$20.00 to \$30.00. You have the right to cancel your subscription to any of these services, without penalty. For questions about this change, please call an AT&T Service Representative at the number on this statement. Thank you for choosing AT&T Texas.

SMARTTRUNK® RATES

Effective 1/7/2010, the monthly recurring rate for ISDN PRI Calling Name ID will change. Calling Name ID will increase from \$85.00 to \$100.00. You have the right to cancel your subscription to any of these services, without penalty. For questions about this change, please call an AT&T Service Representative at the number on this statement. Thank you for choosing AT&T Texas.

DLS RATE INCREASE

Effective 1/07/2010, the monthly recurring rates for Digital Loop Service (DLS) under a month-to-month billing arrangement will change. DLS charges will increase from \$550.00 to \$575.00. You have the right to cancel your subscription to any of these services, without penalty. For information on possible savings with a term billing arrangement, please call an AT&T Service Representative at the number on this statement for details. Thank you for choosing AT&T Texas.

CALL ALLOCATION INC

Effective 1/7/2010, the monthly recurring rate for Dynamic Channel Allocation service will change. Dynamic Channel Allocation will increase from \$10.00 to \$15.00 per month. You have the right to cancel your subscription to any of these services, without penalty. For questions about this change, please call an AT&T Service Representative at the number on this statement. Thank you for choosing AT&T Texas.

SMARTTRUNK® RATES

Effective 1/7/2010, the monthly recurring rate for SmartTrunk® service under a month-to-month billing arrangement will change. B-Channels will increase from \$35.00 to \$36.00. You have the right to cancel your subscription to any of these services, without penalty. For information on possible savings with a term billing arrangement, please call an AT&T Service Representative at the number on this statement for details. Thank you for choosing AT&T Texas.

SUPERTRUNK RATES

Effective 1/07/2010, the monthly recurring rate for SuperTrunk service under a month-to-month billing arrangement will change. Port charges will increase from \$400.00 to \$425.00. B-Channel charges will increase from \$21.00 to \$25.00. You have the right to cancel your subscription to any of these services, without penalty. For information on possible savings with a term billing arrangement, please call an AT&T Service Representative at the number on this statement for details. Thank you for choosing AT&T Texas.

(I)

2.3.2 Line Termination {6}

Each Termination:

- Inbound, Non-DID	DLT1X	3.00	0.00	0.00
- Inbound, DID{7}	DQT1X	3.00	0.00	0.00
- Outbound, {8}	DLT0X	3.00	0.00	0.00
- Inbound/Outbound{8}	DLTCX	3.00	0.00	0.00
- Hotel/Motel{8}	DHT	3.00	0.00	0.00

- {1} In addition to installation charges listed in this section, Service Ordering Charge, as stated in Section 27 of the General Exchange Tariff, will also apply. Also, as outlined in Section 27 of the General Exchange Tariff, Trip Charge may apply.
- {2} Installation charges apply to service obtained either on a month-to-month basis or pursuant to a Service Term.
- {3} The Additional Unit Charge applies to service components requested by the customer to be installed at the same serving central office and at the same time as the First Unit.
- {4} Requires PBX-DID/AI0D Service found in Section 21 of the General Exchange Tariff.
- {5} Business customers who currently have service with another carrier and now establish Digital Loop Service with the Company will receive a waiver of all Installation Charges, Service Connection Charges, and Conversion Charges associated with this rate element. To be eligible, the customer must not currently have any past due bills for regulated service owed to the Company, except in those cases where the customer and the Company have established mutually acceptable payment arrangements for collection of past due amounts. This offer cannot be combined with any other nonrecurring and/or conversion charge credit or waiver offers.
- {6} Not available to Digital Loop Service customers subscribing to the SuperTrunk[®] option.
- {7} Requires PBX-DID/AI0D Service found in Section 21 of the General Exchange Tariff.
- {8} Requires TOUCH-TONE calling service found in Section 33 of the General Exchange Tariff.

each B Channel	T7H1X	0.00	0.00	0.00
{6}{8}{9}	T7H0X			
	T7HCX			

- {1} Service Connection Charges apply per Section 27 of the General Exchange Tariff.
- {2} Unless otherwise noted, all service components are offered in both a National ISDN format and a vendor-specific format. ("Vendor-specific" refers to the vendor of the SmartTrunk Service serving office switching system. Vendor-specific ISDN is sometimes referred to as "proprietary" ISDN.)
- {3} Payment of service connection charges and installation charges may be spread pursuant to Paragraph 2.2 above or pursuant to "-- Installment billing for business customers...", Sheet 10.1, Section 23 of the General Exchange Tariff.
- {4} An Integrated Services Network Component is not required with tie line services.
- {5} Each of the non-additive Integrated Services Network Component shall constitute a local exchange access arrangement and, for reporting purposes, shall be counted in combination with those of the Local Exchange Tariff and the General Exchange Tariff.
- {6} This Integrated Services Network Component entitles the customer to the local service area of his SmartTrunk serving office exchange as described in Section 1, Paras. 4 and 5 of the Local Exchange Tariff.
- {7} See Local Exchange Tariff, Section 1, Paragraph 3.7 CompleteLink for additional discount information.
- {8} A charge of \$.06 (six cents) for each outgoing message applies.
- {9} Hotel/Motel customers have the option of subscribing to Flat or Measured service for their guests' use. However, the mixing of Flat and Measured service for guests' use shall not be permitted.
