CHECKLIST FOR PUBLIC SAFETY TELECOMMUNICATORS –

There are three ways to order the Checklists:

1. Download the Checklist for free at www.missingkids.com/911 by clicking on Resources > Checklist for Public-Safety Telecommunicators. This version has an interactive Table of Contents for easy navigation.
2. Order the laminated, spiral bound Checklist by calling 1-800-843-5678 (1-800-THE-LOST). Order# NC200. Identify yourself as Law enforcement or 911 to receive up to 30 Checklists for free. Each additional copy is \$10.
3. Order the laminated, spiral bound Checklist online at <http://www.missingkids.com> > scroll to bottom of page> Click on “More Publications”> click on desired publication> Download, print mail-in order form, or order online by clicking “English- Order# NC200”> create account or sign in (this is where Law Enforcement or 911 should be selected> select quantity of Checklists, proceed through order process..

STANDARD OPERATING PRODEDURES –

Download the ANSI Standard for Public Safety Telecommunicators when Responding to Calls of Missing, Abducted, and Sexually Exploited Children at: http://www.missingkids.com/en_US/documents/911standards.pdf
